

GRAHAM PEACOCK

A Retrospective

ARTIST'S LIMITED EDITION

One of the highest quality and most complete publications on any living artist that has been produced in Canada.

Full colour, hardcover, with over 400 high quality reproductions of the work by British-born Canadian abstract painter Graham Peacock.

The genesis of this book originates from the exhibition—Graham Peacock at 60 A Retrospective 1982 – 2005 presented at the Art Gallery of Alberta in 2005.

The book includes many works that have been exhibited internationally and which belong to private and public collections worldwide. It includes many of the significant critical writings along with an extensive visual survey of his artistic development over several decades.

In addition to collection of authored texts, are Peacock's writings: on his *Beginnings*, *Artistic Development*, *Thoughts on Painting*, *On Sculpture* and his *Painting Process*. The chapters are accompanied by the artist's notes.

GRAHAM PEACOCK

A Retrospective

...the endless variegations are so finely tuned and so unabashedly designed to give dizzyingly and dazzlingly complex pleasure that they must stand as some of the most original paintings to emerge out of the past four decades of abstract painting on the Canadian prairies.

Roald Nasgaard
Abstract Painting in Canada
